SILVERWOOD SCOUT CAMP

Back to basics camping

Silverwood Scout Camp is a fantastic campsite for any outdoor activity. 10 acres of managed campsite is surrounded by 100 acres of woodland on two sides and panoramic views of the Pennine scenery on the others.

The site lends itself to providing ideal camps where all types of training and activities can be put into practice.

On site we have a toilet block with hot and cold running water, showers and access for the disabled. These are kept clean and well maintained by our volunteer on site staff. Tables, chairs, and altar fires are available; all free of charge, but need to be pre-booked prior to your arrival.

The Lodge

The Lodge is a self- contained brick accommodation unit and is ideal for younger members or for use as an indoor base in winter. The Lodge sleeps a total of 42 persons in

It consists of bunk rooms, large activity room, toilets, showers, kitchen and a drying room for wet clothes. The self-contained kitchen includes a gas range, double sink, fridge and freezer, crockery and utensils are provided. Both male and female toilets have hot running water and showers. The activity room also doubles as a dining room.

Billingham Activity Centre

Coming soon, now being built, the Billingham Activity Centre, hopefully to be available for the 2015 camping season. The new building will have a fully equipped commercial kitchen, a large activity area, and heating for use all year round. It will have a camping area within a 25m walk. Be sure to keep an eye on progress, as soon as it's ready we will make it available to all.
